IS MORE VICIOUS

The Chicago Strike Takes an Uglier Phase

ARMED STRIKE BREAKERS

The Wagons of the Employers Association Provided, Each With Two Authorized Rifles—Collisions Yesterday, Several Being Injured.

Chicago, May 1.—Conditions in the teamsters' strike were worse today than at any preceding time. The strikers were in a more ugly mood, the rioting was more open and vicious, and the attacks on non-union men were more frequent and daring than at any time since the commencement of the trouble. The chief cause for the increased belligerency on the part of the strikers and their friends is laid to the fact that the Employers' Teaming association today brought 1,500 men into the city to take their places and 500 more are said to be now on their way and will arrive within twelve hours. These men will receive the full pay of union men and it has been guaranteed to them that their positions will be permanent. Among them are 200 farmer boys from all the surrounding states, who have volunteered their services and sought positions as drivers.

Tomorrow rifles will be carried in all the wagons of the Employing Teaming association in open view. A number of non-union men have been arrested on the charge of carrying concealed weapons and today the Employers' Teaming association called upon Chief of Police O'Neil and asked if their men had not a right to carry weapons provided they were held in open view and were not concealed. Chief O'Neil replied that there was no law against it and arrangements were promptly made by the employers to place rifles on every one of the wagons. Over a thousand of these weapons were purchased today and during the latter part of the afternoon a number of wagons went through the streets each with a rifle

lying across the knees of the driver and his assistant.

When Mayor Dunne was informed of the fact that rifles would be carried by non-union men, he was visibly disturbed and declared that the police will not be permitted to authorize the carrying of arms by any one whatever in the employ of the Employers' Teaming association or affiliated with the strikers. "The chief of police will give no authority to any one to carry arms," he said.

There was a report late today that Mayor Dunne was about to force an adjustment of the trouble, but this he declared tonight was incorrect. Four men were seriously hurt during the fights today, but the number of actually injured is greatly in excess of this and it is impossible to state it accurately for the reason that many of those hurt disappeared in the crowd or were carried away by their friends as soon as possible after being injured. Those seriously hurt today are: Otto Helmer, shot in leg; Chas. Kullett, non-union teamster, badly beaten, nose broken, head cut; Jno. Williams, non-union teamster, badly beaten; C. E. Ingalls, non-union teamster, badly beaten; Wm. Crockett, non-union teamster, clubbed and stoned until insensible. It is not expected that any of the injured will die.

No decided increase in the number of men on strike was made today, the most important accession to the teamsters being the drivers of delivery wagons of the retail grocery stores. These declared that they would in no case call for goods at any wholesale house where the strike existed. As the teamsters are on strike at partially all the wholesale groceries in the city, the apparently visible supply of food for the citizens of Chicago is limited to the stocks now held in retail grocery stores. Retail drivers also declared they would refuse to handle meat if any strike occurred in the stock yards.

The Employers' associations this evening drove home a wedge into the ranks of the Chicago Team Owners association. This latter organization is composed of men who do teaming for many of the large business houses and particularly in the matter of hauling coal. They have fought shy so far of aiding the employers to the extent of making deliveries on their contracts, going to the length of asking the employers to refrain from requiring them to haul merchandise and asserting that if their men were stopped while on the streets there was nothing for them to do but to return to

the barn. The employers this afternoon informed the team owners that they must make deliveries at once and continue to make them from this time on. The team owners agreed to make the deliveries as demanded.

The union labor leaders who were indicted last Saturday in connection with the strike, appeared at the criminal court building today and gave bonds in the sum of \$1500 each.

The city council tonight passed a resolution directing the chief of police to enforce that portion of the statutes which prohibits the carrying of rifles in the streets by unauthorized persons.

THE BOAT OVERTURNED

One Man of a Half Dozen Was Drowned.

Los Angeles, Cal., May 1.—Jos. Zimmerman, 24 years old, a well known florist of Ocean Park, recently from Pittsburg, Pa., has lost his life and a party of five prominent people who accompanied him have narrowly escaped death from drowning through the capsizing of a small sail boat at San Pedro. The boat, when a considerable distance off the shore, was struck by a sudden squall and capsized. Zimmerman attempted to swim to land but sank before he reached it.

The other members of the party, Mrs. Anna Low and her daughter, Miss Irene Low of Los Angeles, Miss Edith Baxter of Denver, and Ernest Convey and Jas. Pease of Washington, D. C., succeeded in saving themselves by clinging to the overturned boat and were rescued by a steam launch which chanced to sight their wrecked craft. Miss Irene Low, who is a strong swimmer, kept her mother afloat until they could reach the boat after the accident occurred. Miss Baxter was saved by the two young men of the party.

Mrs. Low, who is the former wife of the well known mining engineer and capitalist of Denver by that name, is ill as a result of her experiences, but no serious consequences are apprehended. The body of Zimmerman has not been recovered.

OBSTRUCTING GAS

Prevents the Search for Dead Bodies.

Oklahoma City, May 1.—A report from Wilburton tonight states that a great deal of trouble is being experienced in searching for the bodies of the thirteen miners entombed by Sunday's explosion, on account of gas. It is expected that four or five days will elapse before the bodies are recovered.

A BREWERY STRIKE.

Tacoma, Wash., May 1.—About 800 brewery workers in Seattle and 200 in Tacoma went on strike today. This is a national holiday for the brewers and the brewery managers ordered them to report for work, which in reality changed the strike into a lockout. All the allied trades are affected.

CHAIR OR FREEDOM

So Says the Attorney for Nan Patterson

Young's Death Was Murder or Suicide He Declared—The Case Will Go to the Jury Today.

New York, May 1.—"This case is one of deliberate murder or of suicide. There can be no manslaughter about it. There should be no compromise verdict. She is either guilty of murder in the first degree or not at all."

With these words Abraham Levy as counsel for Nan Patterson, brought to a close this afternoon his five hour argument in defense of the former chorus girl charged with the murder of Caesar Young. During the long argument Miss Patterson faced the jury unflinchingly. The court room was crowded, most of the attendants being women, who struggled to get a look at the defendant. At one time during the afternoon the judge was compelled to stop Mr. Levy while the court officers expelled from the room some women who persisted in discussing the case in audible tones to the annoyance of all present.

Mr. Levy reviewed all the testimony in detail and declared that no word had been introduced which showed any purpose on the part of Miss Patterson or her brother-in-law and sister, Mr. and Mrs. J. Morgan Smith, to threaten the life of Caesar Young.

The suicide theory was strictly emphasized by Mr. Levy, who contended that the powder stains on Young's fingers proved that he had shot himself. Mr. Levy scouted the idea that the girl would be able to make such an assault on a trained athlete like Young.

He also ridiculed the idea that Miss Patterson should have chosen a crowded public street as a place for murder when she had so many opportunities to attack Young where there would have been little danger of detection.

Assistant District Attorney Rand will close for the people and it is possible the case will go to the jury tomorrow afternoon.

HEINZ' INCOMPLETE ANSWER.
An Important Decision Against Him in His Mining Suit.

Helena, Mont., May 1.—Under a decision handed down by the supreme court today, Judge Bourquin of the district court of Silver Bow county, at Butte, can proceed to hear and pass upon the motion of the Boston and Montana Copper company to strike from the files the answer of F. A. Heinz in the suit involving \$5,750,000 for ore alleged to have been illegally extracted by Heinz and his company from the Pennsylvania mine.

At the hearing before a notary public Heinz refused to answer questions propounded by the B. & M. counsel and Judge Bourquin was asked to strike the answer of the defense from the files for contempt. Heinz applied to the supreme court for a writ of prohibition to prevent Judge Bourquin from entering the motion. The supreme court dissolved the writ, Justice Holloway dissenting. The local court can now proceed to hear the motion. The decision is considered of great importance.

FUNERAL OF A HERO

Informal Services Over Fitz Hugh Lee at Washington.

Washington, May 1.—An affectionate and imposing tribute was paid today to all that is mortal of Brigadier General Fitzhugh Lee, U. S. A., retired. The formal funeral services over the remains will be held in Richmond, Va., next Thursday. It was found necessary to delay them until that time in order that the general's son, Lieutenant George Mason Lee of the Seventh United States cavalry, who was in San Francisco with his regiment en route to the Philippines, might be in attendance.

Brief services were conducted today at the Church of Epiphany, many of the personal and official friends embracing the opportunity thus afforded to pay a last tribute of respect to the memory of the distinguished dead.

The church services were conducted by the rector of Epiphany church,

Randolph McKim, D. D., who is chaplain of the Washington camp of Confederate veterans. He was an officer in General Lee's old command in the civil war and the two were lifelong friends. The services were very simple, being in accordance with the burial services prescribed by the ritual of the Episcopal church.

No funeral oration was pronounced. There were many floral offerings, among them a handsome wreath sent by President and Mrs. Roosevelt. At the conclusion of the services the remains were escorted by a military and civic pageant to the railroad station for transportation to Richmond.

A READJUSTED MARKET

A Recovery From the Low Level of Last Saturday.

New York, May 1.—Today's stock market was a striking demonstration of how financial affairs adjust themselves to any contingency that is foreseen with sufficient clearness.

The break carried many stocks through the low prices made on Saturday, which would serve to affect additional margins. The fact that the support was effective in the face of this did much toward restoring confidence and there was a substantial recovery. Some of the stocks which opened strong recovered to the best. Erie was prominent on the rally with a gain of 1 1/2. Canadian Pacific rose 2 1/2. The market became much quieter at the latter level. Bonds were steady at noon.

METALS.

New York, May 1.—Copper was lower abroad, closing at \$65 65 for spot and \$65 55 for futures in the London market. Locally the market seems quite unsettled. It is understood that producers are still asking \$15.25 for lake and electrolytic, but it is also reported that the price can be shaded and there are rumors of business under \$15. Lake is more or less nominal at \$15 15/16; electrolytic, \$15 15/16. Lead is unchanged at \$4 45/16 locally, and at \$12 11/16 3d abroad. Spelter is quiet at \$5.80 locally and declined to \$23 17/8 6d in London. Silver 56 1/2; Mexican dollars, 44 1/2.

GRAIN.

Chicago, May 1.—An excellent demand for cash grain at outside markets imparted strength to wheat options here today. May opened at \$1.87 1/2, the price advanced to 90 and closed at 88 1/2. July corn opened at 45 1/2@45 3/4, sold up to 45 1/2 and closed

at 46 1/2. July oats opened at 28 1/2@28 3/4, sold up to 28 1/2@28 3/4 and closed at 28 1/2.

CATTLE AND SHEEP.

Chicago, May 1.—Cattle receipts 18,000. Market steady. Good to prime steers, \$5.75@6.65; poor to medium, \$4.25@5.40; stockers and feeders, \$2.75@5.25; cows, \$3.65; heifers, \$2.75@5.25; canners, \$1.60@2.40; bulls, 12.50@4.75; calves, \$3.65@5.75.

Sheep receipts, 21,000. Sheep steady. Lamb 15@20c lower. Good to choice wethers, shorn, \$4.50@5.50; fair to choice mixed sheep, shorn, \$4.65@5.25; western sheep, shorn, \$3.65@3.50; native lambs, shorn, \$4.65@5.50; western lambs, \$5.67.

A PLUMBERS' ARRANGEMENT.

A Conspiracy Between Journeymen Plumbers and Masters Ass'n.

Spokane, Wash., May 1.—As a result of an agreement entered into by the Journeymen plumbers and the Master Plumbers association, union plumbers today walked out of all the shops not under the control of the Master Plumbers association.

On the condition that the union shall furnish no journeymen to shops not in the association, the masters have raised the wages of their union employees to \$5.50 a day. Independent employers threaten prosecution in the courts, alleging conspiracy.

THE WOMAN ALONE DID IT.

Her Paramour Will Get a New Trial for Murder.

Reading, Pa., May 1.—Judge Ermentrout today granted a new trial for Samuel Greason who, together with Mrs. Kate Edwards, was condemned to hang for the murder of John Edwards, the woman's husband. The new trial is granted on the strength of the confession of Mrs. Edwards that she alone killed her husband.

This confession was made a few days before the day set for the hanging of Mrs. Edwards and Greason last February and resulted in their reprieve.

LAND THIEVES CONFESS.

Henry Miller and His Associates Plead Guilty.

Portland, Ore., May 1.—Henry W. Miller, indicted on January 31 by the federal grand jury in conjunction with his partner, Frank E. Kieckert, Martin C. Hogan and Charles Nichol, for conspiracy to defraud the government out of a portion of its public lands, pleaded guilty to the offense in United States district court today. Sentence was suspended by Judge Bellinger, the bail being reduced in the meantime from \$4,000 to \$2,000, which was furnished.

WARSAW RIOTS

The Beginning on May Day of a Reign of Terror

MURDEROUS SOLDIERY

Crowds Fired Upon Without Provocation and Scores Killed—All That Had Been Gained in the Way of Conciliation Lost in a Day.

Warsaw, May 1.—Nearly 100 persons were killed or wounded in disturbances in various quarters of Warsaw today. The troops apparently were uncontrollable and violated all orders to act with moderation. They fired into a crowd of demonstrators, and the workmen in retaliation resorted to the use of fire arms and bombs. Many women and children are among the dead and dying. What approaches a reign of terror exists in the city tonight, the city presents a gloomy aspect and the temper of the entire community augurs ill.

The presence of numerous patrols of Cossacks cavalry and infantry were the only reminder of lurking danger. No untoward incident was reported until the afternoon. The first disturbance occurred between 1 and 2 p. m. when a procession of several thousand workmen carrying red flags marched along Zelazna street. The demonstration was quite orderly and proceeded without molestation for some distance. Suddenly several squadrons of Uhlans appeared but without interfering with the procession and took up a position along the sidewalks while the workmen passed through their lines. Then a company of infantry approached from the front and immediately the cavalry charged into the procession, driving it with the flat of their swords into a disorganized mass.

When the cavalry withdrew the infantry fired a volley, whereupon the demonstrators turned and fled. The infantry continued to discharge volleys into the retreating, shrieking multitude. Thirty-one persons were killed and many wounded and of the latter fifteen will die. The shooting is described as having been quite unprovoked. It has aroused the most intense indignation among all classes in Warsaw. Many of those who were killed or wounded were shot in the back, showing that they were running away when
